Protect your account with 2-step verification

Each time you sign into your account on an unrecognized device, we require your password and a verification code. Never share your code with anyone.

Add an extra layer of security

Enter your password and a unique verification code.

Keep the bad people out

Even if someone else gets your password, it won't be enough to sign into your account.

[Get started](#)

Choose your verification method

Voice or text message

Verification codes are sent to your phone.
Message and data rates may apply.

Authy

Verification codes are sent to your phone or
the Authy app.

Authenticator app

Using a different authenticator app? We
support using any authenticator app using
either a QR code scan or manual code entry.

 Voice or text message
Verification codes are sent to your phone.

Let's set up your phone

Provide a phone number that we have on file. On sign in, this number will be used to contact you with a unique verification code to confirm it's you. Message and data rates may apply.

TERMS OF USE AND THE PRIVACY POLICY -

The primary licensor for the online and/or mobile banking service you are using (the "Service") is Jack Henry & Associates, Inc. (the "Provider"). By enrolling in our Service, you hereby agree as follows:

(i) General. The Provider is not the provider of any of the financial services available to you through the Service, and the Provider is not responsible for any of the materials, information, products or services made available to you through the Service.

(ii) Provider Privacy Policy. Provider may access personal information while you use the Service. Provider may access records held by your financial institution for such information as your phone number, home address or email address. Provider will use this contact information to alert you about Service-related events or actions that require your attention. If you grant permission to use phone information, Provider will use the phone number to pre-populate forms that expect a personal phone number for contacting. If you grant permission to use your device's location, Provider will use the data when checking for nearby branch and ATM locations. If you grant permission to use access photos, media or other files stored on your device, Provider will use that information to add an image to a transaction and add a photo to your profile. If you grant permission to use a camera, Provider will use it when taking a picture to add an image to a transaction or to capture images of a check that is being deposited or to add a photo to your profile. In addition to this Provider Privacy Policy, your financial institution maintains a privacy policy covering the personal and financial information related to your use of the financial institution's services and products, including such information that may be gathered
